STAMFORD BOARDING HOUSE

An enriching and supportive "home away from home"

“My social skills have greatly improved during my half-year at the boarding house. There are many students from different grades and schools, so we can discuss interesting topics and share the fun things we encounter. Every Sunday night, we will have meeting together and discuss challenges, as well as enjoy various activities. We all got along very well and I think the boarding house helped me a lot.”

WELCOME TO STAMFORD AMERICAN BOARDING

Boarding at Stamford American International School brings together students from around the globe, and with it, a diversity of outlooks and individual experiences. Personal growth and connection with others whose views are different is assured, allowing for a deeper appreciation of how amazing and varied the world is.

Moreover, our boarding experience offers structured support for academic achievement. Not only is learning enhanced with tailored assistance and increased interaction with peers, but it nurtures those qualities and skills that help young people engage as global citizens at Stamford American and beyond.

The Stamford Boarding Program

Stamford American International School is pleased to offer a boarding program at ACS Oldham Hall Premier Boarding for our students who have immediate families that reside in another country. Our boarding program is open to all SAIS Secondary Students from Grades 6 to 12. Boarding is mandatory for all SAIS students whose parents are not residing in Singapore.

Stamford Boarding @ ACS Oldham Hall is centrally located in Singapore, 10 minutes from Newton MRT with easily-accessible amenities such as supermarket, bookshop, convenience stores, eateries and clinic. An award-winning hostel (conferred by the Ministry of Education, Singapore), offers a family atmosphere that is safe, secure and caring, with an international community of friends.

The safety and wellbeing of our students is the number one priority for us at Stamford Boarding. There is regular communication from the Head of Boarding and Boarding Team to the Academic and Pastoral Care Teams at Stamford American.

The Boarding Program available to Stamford American students aged 12 and above, provides an environment that develops both social and emotional wellbeing as well as academic growth.

THE STAMFORD BOARDING PROGRAM

THE FOUNDATION OF A REWARDING BOARDING EXPERIENCE

With its focus on 3 key areas: Safety and Guardianship; Academics and Wellbeing; Community and Social Bonding, the thoughtfully structured Stamford Boarding Program ensures students truly thrive in our close-knit, caring international residential community.

Safety and Guardianship

PEACE OF MIND FROM BEING IN THE BEST HANDS

Our Boarding Program supports physical, emotional, and pastoral care. Stamford American International School takes the responsibility for safety and well-being of students seriously.

- An assigned Head of Boarding and Boarding Team are responsible for the safety and wellbeing of Stamford Boarding students. Guardianship duties include areas such as attending Parent Teacher meetings, assisting with communication from School to Parent, Bus and Cafeteria registrations.
- All staff within this Stamford Boarding Program have been background checked to international safeguarding standards and are CPR, first-aid and Safeguarding trained.
- There is 24-hour staffing including on-site supervision at the Stamford Boarding House. Students access with fingerprint access and guests are required to sign in. With a staff to boarder ratio of 1:12, we ensure all boarders are safe and accounted for every day, in addition to attending to pastoral, administrative, housekeeping and disciplinary matters.

Academics and Wellbeing

HOLISTIC SUPPORT FOR AN ENHANCED LEARNING JOURNEY

Our Boarding Program supports academic growth. Stamford American International School has a strong track record of graduating students with a US-accredited High School Diploma, or Advanced Placement International Diploma, or the International Baccalaureate Diploma Programme, or a blend of both, attending universities of their choices around the world.

- Additional counselling.
- Dedicated and spacious Study Rooms provides conducive environment for boarders.
- Structured boarding life that helps boarders develop independence, self-discipline, and time
- Develop boarders to their fullest potential and provides opportunities for leadership training such as being a student leader in Students' Council.

Community and Social Bonding

A SHARED EXPERIENCE FOR STRONGER CONNECTIONS

Our Boarding Program offers a nurturing and fun community. Stamford American International School is a warm and welcoming community with over 75 nationalities. To prepare young people for life through living in a diverse community, learning to be kind and appreciative towards one another.

- Diverse recreational and sports facilities such as swimming pool, basketball / badminton courts, BBQ pits allow boarders to enjoy active living and social bonding
- Building friendship and bonding across cultures with student social evenings and weekend outings.
- Building community with activity and communal areas for students to use.

In all, our Boarding Program offers a nurturing and fun community, involving:
