

**Stamford American**  
INTERNATIONAL SCHOOL

# HIGH SCHOOL PROFILE 25|26

Stamford American International School practices selective enrollment in its admissions process. In our commitment to inspire students to create their unique future, Grade 11 and 12 students may build individualized course programs from any of the four curricula that are on offer. All successful graduates earn a US accredited (CIS/WASC) Stamford High School Diploma. In addition, students may also achieve the International Baccalaureate (IB) Diploma or Certificates, Advanced Placement (AP) examination results, and/or a BTEC Diploma.

## VISION

Inspiring students to create their unique future.

## MISSION

Together, we cultivate a culture of optimism, excellence, and empowerment for everyone by developing the mind-set and skills to thrive in a complex world.

## OUR SCHOOL

At Stamford American, diversity is our strength. We affirm the dignity of each member of our community and honor their unique identities, talents, beliefs, backgrounds, and ways of living. We hold ourselves and each other accountable for creating a community of belonging for all. Our core values of courage, integrity, ingenuity and compassion guide us in our responsibility to bring this commitment to life.

## OUR PROGRAM

The educational programs at Stamford are built on six key learning principles. We believe that high quality learning is personal and social, a dynamic process, goal-oriented, learner-centered, driven by inquiry, and authentic. SAIS is an IB World School authorized to teach the IB PYP, IB MYP and the IBDP. Enriched by the American Education Reaches Out (AERO), Next Generation Science Standards (NGSS) and the Framework for Social Studies (C3), students are guided by comprehensive learning outcomes and benchmarks empowering them as learners to develop academic achievement and excellence. Stamford offers a holistic program with a focus on academics and rich opportunities in the Arts, Athletics, Service, Outdoor Education and Wellness. Our Advisory program encourages and supports students to develop optimism, resilience, and a growth mindset.

Stamford American complies with **NACAC's Statement of Principles of Good Practice**. In accordance, applicable disciplinary issues will be reported to colleges. The College Counseling Office will also report any significant change in a student's academic status or qualification, including personal conduct record between the time of recommendation and graduation.

## SCHOOL CALENDAR

Stamford operates a Northern Hemisphere calendar (August through June).

**Semester 1: August to December**  
**Semester 2: January to June**

## ACADEMIC COURSE OFFERINGS

Academic counseling begins for students in Grade 9 to support students in identifying and shaping their learning programs both at Stamford and beyond.

### PREPARATORY COURSE FOR SECONDARY (PCS)

Grade 6 to 10 students who are English Language Learners may join Stamford by first attending our intensive Preparatory Course for Secondary program (PCS), in order to improve their academic English to meet the rigor of the secondary curriculum. Students may study either one or two semesters within PCS before joining the middle school or high school in their appropriate grade level program.

### GRADES 9 & 10 - IB MIDDLE YEARS PROGRAMME (IB MYP)

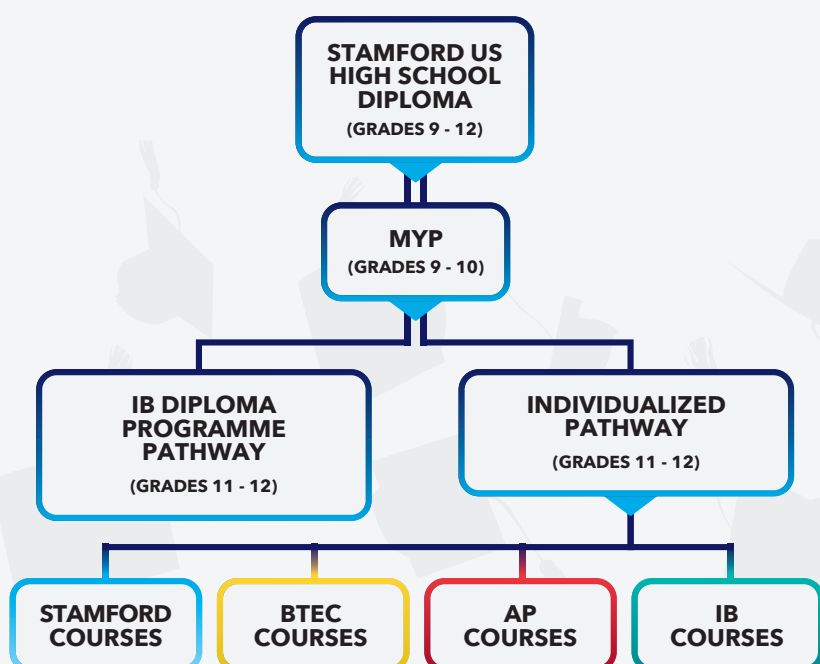

All students in Grades 9 and 10 are enrolled in the International Baccalaureate Middle Years Programme (IB MYP), as a part of the IB Continuum at SAIS. As MYP students, our Grade 10s have the option to pursue an IB-validated MYP Certificate, individual MYP Course Certificates. Throughout the programme, our students engage in contexts and approaches to learning as a tool for academic success. Grade 10 students may also be eligible to choose the flexible MYP pathway (MYP Flex), choosing one (1) AP course within their student schedule. This allows students to continue learning in the MYP while beginning to explore options for a more flexible pathway in Grades 11 and 12.

### GRADES 11 & 12 (US HS DIPLOMA VIA IB DIPLOMA PATHWAY OR INDIVIDUALIZED PATHWAY)

IBDP, BTEC and Stamford courses are available for students in Grades 11 and 12. AP courses are available to students in Grades 11 and 12, with a few courses open to students in Grade 10. Stamford students are limited to taking a maximum of 4 advanced courses per year (AP and IB HL courses). Full IB Diploma students are restricted to three Higher Level courses. Students in Grades 11 and 12 have the option to pursue the full IB Diploma or an individualized academic pathway. Stamford is the first and only school in Singapore to concurrently offer the American Advanced Placement, BTEC International Level 3 and International Baccalaureate Diploma Curricula.

### INDIVIDUALIZED PATHWAY

Stamford American students have the opportunity to take a blend of IB, BTEC, AP and/or Stamford College Preparatory courses to work towards the Stamford US High School Diploma. This offers flexibility and choice for students in the content and rigor of their programs of study. Students in the Individualized Pathway also have the opportunity to take external IB or AP examinations. Students in the BTEC Diploma are more restricted to the courses they may take depending on the type of BTEC diploma they are working towards.

### GRADUATION REQUIREMENTS

Total minimum credits to graduate is 24 credits: 1 credit equals 1 academic year of study + attendance requirement.

English	Mathematics	Sciences	Social Science (Humanities)
4	3	3	3
World Languages	Arts	Electives	Physical & Health Education
3	2	4	2

The majority of students will graduate in excess of the minimum graduation credit requirements. The Stamford Diploma represents eight semesters of study. Students may not graduate early even if all credits are met. Students must also meet attendance and service requirements each year as part of their graduation pathway.

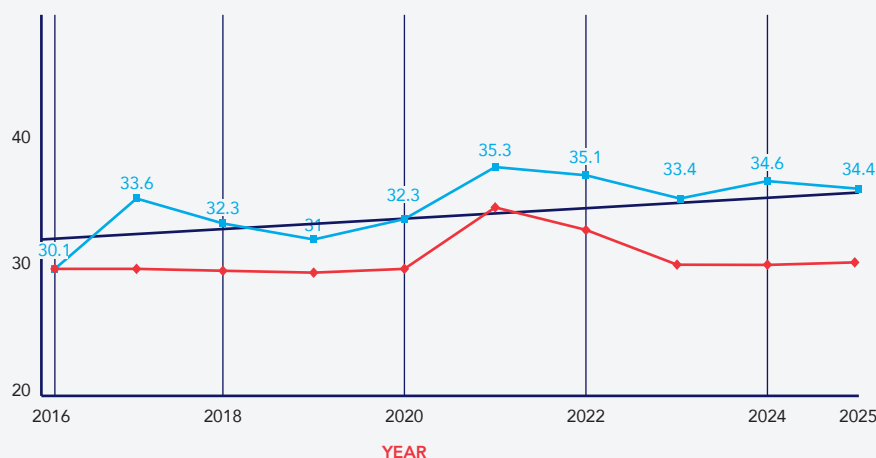

Each of our curricular programs is graded in accordance with the guidance provided by the relevant framework. The chart below outlines the grade equivalencies for our programs alongside a traditional US grading scale.

## GRADING AND REPORTING

Progress grades are reported semesterly, and only end-of-year grades are reported on the transcript. Stamford American uses the IB 1-7 grading scale for Stamford, PCS, MYP and IBDP courses, the AP 1-5 scale for AP courses, and the BTEC D\*-U scale. IB Theory of Knowledge is reported as a P (Pass) or F (Fail). Due to the semester-based program within PCS, students graduating after only one semester of study will receive 0.5 credit per course for their semester of study in PCS. If they join the high school for the second semester, then they can earn 0.5 credit per course within the MYP program.

IB Diploma candidates must also complete the IBDP Core, which consists of Theory of Knowledge (TOK), Creativity, Activity, Service (CAS), and the Extended Essay (EE). Stamford HS Diploma students can choose to pursue IBDP Course Certificates, enabling them to sit selected IBDP examinations and not complete the IBDP Core.

COLLEGE COUNSELING POLICIES

The Stamford Academic & College Counseling department stipulates a limit of 10 application submissions for colleges/universities worldwide. The plan is to ensure that students practice “quality of choice” in researching and ultimately choosing the universities to which they apply. Academic and College Counselors support each student individually to ensure that they do full, in-depth research to consider which institutions have the potential to be the right “fit” for them. Whether it is a preference for a specific program, location or educational experience, Stamford encourages students and parents to focus on “quality over quantity” when developing their college lists.
